Hargreaves Foundry Drainage Ltd is one of the UK's leading suppliers of cast iron products for the construction industry.

Our UK operations are based in Halifax, Yorkshire, where we have a long-standing heritage in iron casting and a deep commitment to quality and craftsmanship. In addition to our industry-leading range of traditional cast iron rainwater and soil goods, we offer socketless, mechanically jointed soil and drain systems, as well as a push-fit above-ground soil system.

With decades of expertise, we provide a comprehensive service that includes technical support, manufacturing drawings, and the ability to produce bespoke solutions tailored to specific project requirements.

ALL STANDARD RW, SOIL & DRAIN PRODUCTS ARE AVAILABLE FROM STOCK - 2/3 DAY DELIVERY FROM RECEIPT OF ORDER

WE AIM TO RESPOND TO ALL ENQUIRIES THE SAME DAY
